Email: msem@jhu.edu

<https://msem.engineering.jhu.edu/>

Application deadline: March 15, 2022*

*Applications received after the deadline date will be considered based on space availability.

Who We Are:

▶ GLOBAL

- ▶ January Immersion trip to Spain, Denmark, Israel, Portugal, or Baltimore

▶ CONNECTED:

- ▶ CLE Connect
- ▶ Career outcomes
- ▶ Cohort-based, small classes

▶ ENTREPRENEURIAL

- ▶ Technical tracks
- ▶ Hands-on, project-based curriculum

“The program’s small size attracted me because it made me feel like I would be part of a community & not just a number. The curriculum & how it incorporated real world experience bolstered my interest because it would develop my skills and give me new experiences.” -Ebony

*“The Immersion Program was one of my highlights—a life changing experience that helped me rediscover my love for simplifying the problem-solving process and providing actionable solutions to business problems.”
-Kamal*

Curriculum

Management

- Four required courses
- One elective through the Professional Development Program (1.5 credits)

Technical

- Five required courses
- Flexibility to take some courses online

Seminar and Immersion

- MSEM Seminar
- The Practice of Consulting

Structure

- Typically 3 semesters
- Class size is typically 50 students
- Students may go part-time in the final semester

“I knew for a fact that all my [Hopkins] management courses would be beneficial overall. The skill sets that I wanted to gain were all covered as part of my management electives.”

-Gitika
